Pi day! Pi day! Pi day!
March 14 (3.14)!
FRIENDS WILL SELL PIES!

The annual Pi(e) day at the library will be Saturday, March 14 from 10 a.m. to 3 p.m. (or until the pies run out) We are asking Friends to bring their pie donation to the library by 5 p.m. Friday or by 10 a.m. on Saturday.

This is one of the most fun and easiest of all our fund raisers. Stay and have a piece of pie and a free cup of coffee.

Thanks so much in advance for your help!

The number π is a mathematical constant. Originally defined as the ratio of a circle's circumference to its diameter, it now has various equivalent definitions and appears in many formulas in all areas of mathematics and physics. It is approximately equal to 3.14159.

ANGEL OF HOPE STATUE

Angel of Hope

Stacy Carmine

The Angel of Hope movement began when the first statue was commissioned in 1994 by author Richard Paul Evans after hearing reports of grieving families seeking the angel from the fictional book, *The Christmas Box*. The memorials are intended to provide a quiet place of reflection for parents who have endured the loss of a child, but are of comfort to anyone experiencing a loss. There are 3 copies of the book at the library.

This angel, the first in the state of Kansas, will be placed in the southwest corner of Dorner Memorial Park in Haysville, near the pond. They are raising \$25,000 for the statue. To donate to this good cause, visit www.AngelofHopeKansas.com, or call Stacy at 644-1121.

LOCAL AUTHOR JOE STUMPE SPEAKS TO FRIENDS

Joe Stumpe presented his latest book to the Friends. It is called "Wicked Wichita" and can be found in the library. It is a very interesting read.

MEET THE STAFF

Meet Julie Trenkle. Julie was hired as a library clerk in March of 2019. She is quite comfortable working in the library, because, as she says, "I grew up here!"

Julie has prior library experience, having worked in the Derby library since she was 16.

Julie is single and is attending Cowley College taking classes in computer science and early childhood history.

Julie likes learning new things. She really likes working at the library. She always has a smile for patrons, and is ready to help.

Julie, we're glad to have you!

REMEMBER!

2020 Dues are due now!
You can either mail them in or bring them to the library.
\$10 is all you need to pay to cover the entire family.
However if you want to give more, we do appreciate it!
The dues money we collect is 20% of our budget.
We believe in our Friends, just as you believe in our library.

CHRISTMAS OPEN HOUSE

Christmas open house was held Monday, December 23. Thanks to all the Friends who donated food for the event, and thanks to the Girl Scouts for decorating the Community room trees!

Many thanks to special Friend Kaye McMullin who brought the decorations and trimmed the lobby tree to perfection! As usual, it was beautiful!
